

Annexe B

Liste De Références - 2025

Ces ressources ne sont que des suggestions. L'examen n'est pas spécifiquement basé sur cette liste. Bien que les textes/références étrangers soient une ressource précieuse et puissent être utiles, l'examen est basé sur les normes canadiennes. Pour obtenir l'une ou l'autre des ressources, contactez l'association professionnelle ou l'entreprise qui les publie, et non le bureau du CDECB. L'ISBN, les sites Web et d'autres informations sont fournis pour vous aider à localiser le document approprié. Consultez notre site Web de temps à autre pour les mises à jour à l'annexe B.
